Dear Ms. Doughy,

In reply to our conversation today concerning April Quarterly Report 1/1/2007 - 3/31/2007.

As discussed, by letter dated April 13, 2006, the Commission intended to administratively terminate the reporting obligation of my committee.

On April 30, 2006, I wrote the committee objecting the termination and recommended a suspension maintaining the same identification number. No reply was received; however, I filed reports through the end of 2006.

Since FEC Form 3 for the April Quarterly 2007 was not received, no reply to letter of April 30, 2006, and the \$5,000 limit for 2007/2008 has not been reached - I concluded that no report was required. As instructed during our conversation, the April Quarterly 2007 is enclosed for you with the June and September 2007.

Again, I am recommending suspension with the same identification numbers instead of termination as auditing the candidate's election's history elections would be easier. Furthermore, I would recommend that the FEC would construct an EZ One Page when no activity is posted for the reporting quarter.

Sincerely,

Deborah Katz Pueschel
